

PROVIDING QUALITY PATIENT CARE SOLUTIONS FOR OVER 45 YEARS!

Commitment and Experience

As Canadian innovators in the field, Interspec Systems has maintained a commitment to fulfilling patient care service needs. Combined, our management team offers over 150 years of experience! Our wide range of custom extrusion profiles and in house manufacturing capabilities truly allow us to fulfill virtually any requirement, and allow a level of design flexibility unmatched by any in the industry.

All material and workmanship is heavily scrutinized by our quality control team to ensure every product is of "North American" high quality standards.

If it's a new hospital build or a small renovation, we can assist you with customized solutions to suit your requirements. Layout assistance, product samples, shop drawings, and complete detailed specifications are all an integral part of our process. Let our experienced team assist you in creating the most efficient and streamlined project possible.

Let the COMMITMENT and EXPERIENCE of Interspec Systems Limited make a difference to you!
